## Deaths

### LONDON Gwendoline Rosetta

The family are sad to announce the death of Gwen on April 7, 2018, aged 90 years. She passed away peacefully at the Hospice, following a successful life as a hotelier, Gwen took up driving later in life and this formed the most important part of her retirement, driving at any opportunity and seeing the beautiful Island. Gwen lived a full life, with her most precious years spent driving around the South of France, her second home and the place she treasured dearly. Ill health over the recent years stopped Gwen doing what she loved the most, but she was supported by many brilliant carers who cared for her so amazingly, especially Jill and Laura whom she was so very fond of, despite her ill health, seeing her great-grandsons Lewis, Harrison and Harvey would always make her smile. A big thank you to the staff at St Mary's Hospital who cared for her, The Hospice who made her final hours so peaceful and Peter Gilliam at St Mary's for his input and care to make the final hours more bearable. She will be sadly missed by her son John, Grandchildren James and Vikki, their partners Hanna and Richard, and her great-grandsons Lewis, Harrison and Harvey. She is reunited with her daughter Marion. Funeral service to be held on April 26, 2018 at 11am at St Blasius Church, Shanklin. All welcome to attend - flowers welcome.
